Northampton Township Welcomes Summer 2017

Hello Everyone,

I hope your summer is off to a great start! This issue of the Township Newsletter is packed with information about many of the projects the Board of Supervisors and Administration have been working on for many years. All this hard work is now starting to come to fruition. Many exciting projects are nearing completion and all Northampton Township residents will begin seeing the positive benefits of these projects.

The Board recently approved amendments to our zoning and subdivision and land development ordinances that incorporate design guidelines for the Village Overlay Districts of Richboro and Holland. The objectives of these amendments are to define uniform design standards to further the vision for the Village Overlay Districts (*details on page 7*).

Another exciting development is the rebirth of the Mill Race Inn. After being closed for nearly 20 years, there is a renaissance for the Inn in the near future. In April, the Board approved a proposal from a developer to restore the original mill building and incorporate into a Mediterranean Restaurant and event space for 100 to 150 people. Thanks to the Bucks County Redevelopment Authority for their assistance in this project (*details on page 6*).

Late last year, the Public Works Building Expansion Project got under way and is nearing completion in mid-July. This project will significantly increase the efficiencies of Department operation and provide much needed space for the crews to perform their duties (*details on page 5*).

Also, mark your calendars to attend the Free Library of Northampton Township Fall Gala on Friday, October 13th from 7-10pm. Spend an evening enjoying fine wine, live music, delicious food, raffles and a local art auction all while supporting your library.

In closing, I would like to challenge all Northampton Township residents to do two things this summer: Recycle More and Dine Local! Recycling more helps the local economy by decreasing trash collection costs and provides great benefits for the environment by reducing the amount of waste materials entering landfills. Dining local increases local revenues allowing businesses to thrive. Also, dining local equals less travel distances which translates to less fuel consumption and vehicle emissions.

Have a great summer!!!

All the best,
Chairman Moore

Administration

VOLUNTEERS NEEDED FOR NORTHAMPTON TOWNSHIP BOARD AND COMMISSIONS FOR 2018

The Northampton Township Board of Supervisors is seeking residents who may be interested in serving on various boards and commissions. Boards and commissions provide a vital service to the Township and the Board of Supervisors. Citizens wishing to serve must complete an application. Applications are due in the Township Administration office by November 15, 2017. The Board of Supervisors will interview interested applicants in December and appoint candidates for these vacancies during its January 2, 2018 re-organization meeting. Applications are currently being accepted for the following boards and commissions:

Blighted Property Committee.....1 appointment	Planning Commission 2 appointments
Building Code Board of Appeals1 appointment	Veterans Advisory Commission 3 appointments
Library Board2 appointments	Zoning Hearing Board..... 1 appointment
Parks & Recreation Board1 appointment	

Visit the "Boards, Commissions & Committees" page for the duties of the various boards and commissions. To fill out an application, view the "Documents" section of website at www.northamptontownship.com. To submit an application, or obtain more information, contact Lisa Russo at 215-357-6800 x201, or via email at lrusso@nhtwp.org.

Tax Collector

On July 1, Council Rock School real estate tax bills will be mailed out to Northampton homeowners. Also, the Council Rock School Occupation tax bill will be going out to all working residents, 18 and over. I have generated an email database of Northampton residents that I send out tax office reminders of dates and deadlines. Currently over 600 residents have signed up for this free service. If you wish to enlist, please do so by emailing me at bobborkowski167@gmail.com.

Bob Borkowski, Northampton Township Tax Collector

TOWNSHIP TIDBIT: Did you know that Northampton Township is designated a second class township, with a governing body of five supervisors elected for six year terms by the residents of the township. Also, a tax collector and three auditors are elected too.

TRASH SCHEDULE FOR LABOR DAY WEEK: September 4 - 9, 2017

- MONDAY COLLECTION:** No trash/recycling pick up on Labor Day, September 4, 2017.
Trash, recycling, and one bulk item will be collected on Tuesday, September 5.
Yard waste will be collected on Wednesday, September 6.
- TUESDAY COLLECTION:** Trash, recycling, and one bulk item will be collected on Wednesday, September 6.
Yard waste will be collected on Thursday, September 7.
- THURSDAY COLLECTION:** Trash, recycling, and one bulk item will be collected on Friday, September 8.
Yard waste will be collected on Saturday, September 9.

THE MEANING OF AWESOME . . .

Awesome is defined by Merriam-Webster as "inspiring awe." It can be as simple as a smile to a stranger or looking at the beautiful sunshine on a crystal clear day. Awesome can mean anything that you want it to be. Once you have a sense of what awesome is to you, it can open the door to wonderful possibilities, like the possibilities at the Northampton James E. Kinney Senior Center!

When you become a new member or renew your current membership, awesome things will begin to happen. You will receive an "I'm Awesome" silicone wristband, an "Awesome Members Perks Packet" filled with coupons for discounts at area businesses, along with invitations to "Awesome Events" exclusive only to our awesome members. Members of the center have the opportunity to participate in center classes and programs at discounted rates. Members also receive a bi-monthly senior center newsletter delivered to their home, providing them with early notification of programs, parties and trips.

All this for an awesome \$20 a year! The best part is our "new membership year" is just about ready to start!

Ready....Set....Go to the Senior Center! Be awesome & help someone be awesome too!

Public Works

*Public Works Addition -
Parts Room & Staff Areas*

*Public Works Addition –
Vehicle Wash Bay*

*Public Works Addition –
Vehicle Wash Bay*

PUBLIC WORKS FACILITIES EXPANSION

As one of the projects incorporated into the bond borrowing approved by the Board of Supervisors in 2015, the Public Works Buildings on Township Road are undergoing an expansion. On one building, a 2,152 sqft. addition is being constructed to house an indoor wash bay. This facility will increase township equipment longevity by having the ability to wash off corrosive salt from winter operations as well keeping the equipment clean and serviceable throughout the year.

An addition to a main Public Works Building will add 1,280 sqft. of space for parts and supplies storage adjacent to the mechanic's bays. Also, interior staff areas have been renovated to provide adequate office space, locker rooms and a breakroom. All work is expected to be completed by mid-July.

Officer Ludovici

Northampton Township Police Department

Northampton Township Police Welcomes New Officer

Officer Ludovici grew up in Upper Southampton Township and attended William Tennent High School in Warminster, Pa. Upon graduation Officer Ludovici enlisted into the United States Marine Corps, spending over three years on active duty receiving an Honorable Discharge. Officer Ludovici is a recent graduate of the Montgomery County Police Training Academy. Officer Ludovici is currently in the Field Training Program and upon completion will be assigned to the Uniform Patrol Division.

“Bens Campaign-Lock it up”.

The Northampton Township Police is joining the Bucks County District Attorney's Office for a new safety program called “Bens Campaign-Lock it up”. This project was started after the tragic death of two year old Benjamin Smith of Upper Bucks County who found his fathers unlocked and loaded firearm in the home. This tragic death could have been prevented if the gun had been unloaded and secured. As part of this campaign we will be providing free gun locks to our residents. Just stop in Police Headquarters and one will be provided to you.

Craig's List Safe Zone

Just a reminder if you use sites like Craig's List to purchase items and exchange money, why don't you use the police station as your safe meeting place. Our police department is open 24 hours a day, 7 days per week. Chief Michael Clark stated, “I can tell you it's the safest place in town”.

CrimeWatch

In addition to our Facebook page and our email alert system we have added a new crime fighting tool called CrimeWatch Bucks County. This new resource is for building awareness of crimes and those that commit criminal acts not only in Northampton Township but throughout Bucks County. It also provides our residents the ability to provide tips on crimes anonymously. We only ask that our residents use the information found on this site responsibly. Visit <https://bucks.crimewatchpa.com/northamptontwppd>.

MILL RACE INN REDEVELOPMENT

Mill Race Inn - photo taken in 2007

Conceptual Rendering From Bridge

Conceptual Rendering From Parking Lot

Conceptual Rendering Aerial View From Creek

At the April 28, 2017 Board meeting, the Supervisors accepted a proposal to authorize the Bucks County Redevelopment Authority to execute all documents related to the sale of the former Mill Race Inn property located at 183 Buck Road in the Holland section of Northampton Township.

The Bucks County Redevelopment Authority received two proposals for the acquisition and redevelopment of the former Mill Race Inn property. The winning developer, Riviera House, LLC, intends to construct a Mediterranean Restaurant and event space for 100 to 150 people. The original mill building will be restored and incorporated as part of the restaurant. The developer submitted all documents required by the Request for Proposals, including current financial statements that demonstrate an ability to finance the project. The developer also has past experience with rehabilitating historic structures.

The historic four story mill, erected circa 1784, which has been vacant and uninhabitable since Hurricane Floyd, will be thoroughly reconstructed and restored to capture its original timeless characteristics. The site will be completely reconfigured to provide a safe and convenient access to the restaurant and will be landscaped in a manner befitting its beautiful, idyllic setting created by the rushing waters of the creek, the ancient stone cliff outcroppings on the far embankment and the surrounding verdant lush woodlands. When completed, it is anticipated that the requirements of the Village Overlay District will enhance the community and the project will exceed the Township's expectations.

Hunter Martin

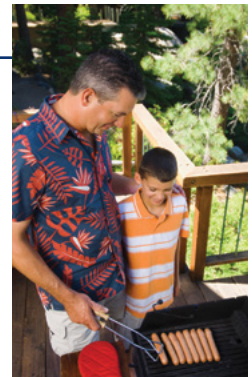

Bluebird & Butterfly Houses Installed In Park

Hunter Martin, Ivyland, PA, recently completed his Eagle Scout Service Project as a member of Boy Scout Troop 145 this past April. He worked with his fellow scouts of Troop 145 to make and install six bluebird houses and six butterfly houses for the Northampton Municipal Park in the Butterfly Remembrance Garden area. The bird houses were designed to attract migrating bluebirds to this park garden area. Within one week of installation, Eastern Bluebirds were observed at the houses. The butterfly houses have been painted in vibrant colors designed to attract butterflies to this garden area. Hunter, who will be a Senior at Council Rock High School this fall, hopes that you will take time on your next visit to the park to sit, reflect, and observe the beauty of the Butterfly Remembrance Garden and its inhabitants.

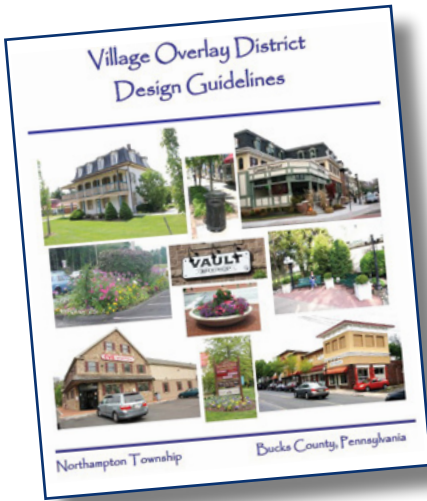

Northampton Township Office of the Fire Marshal

The Northampton Township Office of the Fire Marshal wishes everyone a safe and happy summer! Please note that Pennsylvania State law prohibits the sale or use of any fireworks other than ground based sparkling devices. If it flies, goes bang, or boom, or emits balls of flame it is prohibited. Enjoy fireworks at public displays put on by qualified professionals, not in your backyard.

Also, follow safety rules when grilling or barbecuing. Never grill in an enclosed area and never add lighter fluid to a lit fire. Gas grills should be thoroughly inspected for obstructed burner tubes, and defective hoses. It is a good idea to leak test the hose connections with a solution of soapy water. Always supervise children closely and keep them away from the grill. **To learn more about fire safety, visit the U.S. Fire Administration website at usfa.fema.gov, or the Fire Marshals page on the township's website.**

From the Building and Codes Department

At their meeting on May 24, 2017, the Board of Supervisors approved design guidelines for the Village Overlay Districts of Richboro and Holland. Specifically, these guidelines are amendments to our zoning and subdivision and land development ordinances. Overall, they serve as a framework to establish design and architectural standards in the Village Overlay Districts of Richboro and Holland addressing facades, roof styles, site design, landscape design, and streetscape. The objective is to define uniform standards to further the vision for the Village Overlay District.

The guidelines have been prepared by the Bucks County Planning Commission in conjunction with the Township Planning Commission and Board of Supervisors. It has been an exciting initiative for the enhancement of our commercial and business areas of the Township. Elements of the design guidelines can be seen in the redevelopment of the former Davis Pontiac site in Richboro, which serves as an example of the standards that mesh architectural and site design. As future projects move forward, we look forward to the furtherance of the implementation of the design guidelines and a consistent vision for our Village Overlay areas.

If you have any questions, feel free to contact Mike Solomon, Director of Planning and Zoning, at 215-355-3883.

ACCEPTABLE

The building facade, composition, and color scheme of these buildings (left side) reflect the preferred local architectural style and elements that is attractive, well-articulated, and inviting. The row of building facades (right side) contain a more basic, stripped-down appearance that is less visually appealing

NON-CONFORMING

ACCEPTABLE

The bank (above left) and the renovated retail shops/offices (above right) contain facade improvements that provide curb appeal.

NON-CONFORMING

ACCEPTABLE

The design of these national chain stores vary dramatically in appearance. The building on the top conflicts with, and the building on the bottom compliments, a historic village setting

(At Right)

The Promenade on Sycamore Street in Newtown utilizes horizontal and vertical articulation with complementary architectural elements, providing an attractive main street character.

ACCEPTABLE

(At Left)

Richboro Plaza is a multi-tenant building with no variation in the roofline or facades to break up the scale.

NON-CONFORMING

MIRACLE LEAGUE PLANS IMPROVEMENTS AT THE MUNICIPAL PARK PLAYGROUND!

The Miracle League of Northampton Township PA has embarked on a new journey which involves making improvements to the already popular playground at the Municipal Park on Hatboro and Bristol Roads. The mission of The Miracle League of Northampton Township PA, a non-profit organization, is to enrich the community by providing education and social development through high quality recreation facilities and programs for individuals with special needs and their families.

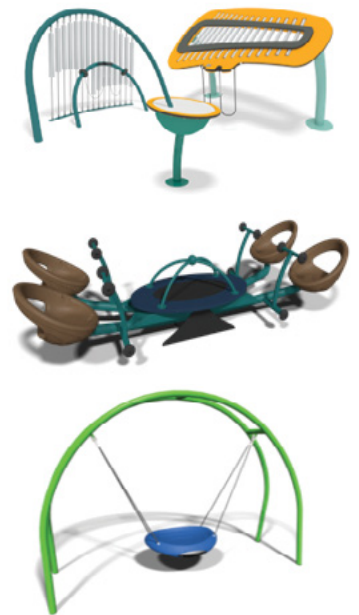

In April 2012 the Miracle League and the community celebrated the grand opening of a baseball field and a multi-purpose field, both uniquely designed with special playing surfaces. The Miracle League field has a custom designed rubberized surface that easily accommodates wheelchairs and other assistive devices while helping to prevent injuries. The multi-purpose field is made of artificial turf which is more accessible than a typical turf field. The fields are located in the Municipal Park and are situated adjacent to the softball fields that are used by the Northampton Girls Softball Association. This location creates a feeling of inclusion for the Miracle League athletes, who enjoy participating sports just like every one else.

This all volunteer organization once again is ready to make a miracle happen and create an all-inclusive playground by enhancing the existing playground at the Northampton Township Municipal Park. Planned improvements to make the playground all – inclusive will include the installation of new equipment that will welcome kids and families of all abilities to learn, play and grow together.

The Township applied to the PA Department of Conservation and Natural Resources Community Conservation Partnership Program for a matching grant to assist in the funding of this \$500,000+ project. The remainder of the funds needed may be matched through fundraising projects and generous contributors.

If you would like additional information or are interested in making a donation to support the purchase and installation of new equipment so that children can play together without experiencing physical or social barriers visit the website at www.miracleleaguenhpa.org, call 267-679-8831 or mail a check to Miracle League of Northampton Township, PA PO Box 453 Richboro, PA 18954-0453. *Your generosity is greatly appreciated!!*

A miracle is often considered an extraordinary event in human affairs; a league is an association of persons brought together by a common interest, goal or cause. So, by definition the Miracle League is an association of people brought together to take part in extraordinary events in human affairs. This rationale rings true when speaking of the Miracle League of Northampton Township, PA.

SOLAR SYSTEM WALK

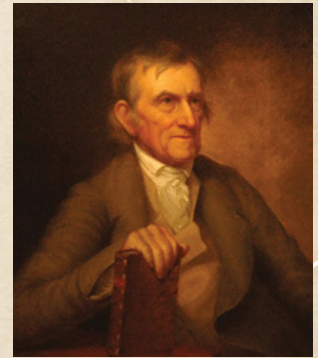

Eagle Scout Candidate Vahan Kazandjian's interest in space began at the same time as his trail to Eagle. To accentuate this service to the community, Vahan decided to create a permanent exhibit on space that could be found rain or shine at the Municipal Park. Vahan designed a Solar System Walk which consists of signs about each planet placed at distances to scale in space from the sun. He crafted signs and used language easily understandable to a novice, yet engaging enough for more experienced viewers. For the tech savvy, QR codes were used which link to additional information. Challenges are included at the bottom of each sign which engages those on the walk to better understand the dynamics of solar system. Next time you are near the Northampton Municipal Park Playground, start on a journey to space and view this project. We're sure you will agree that his Eagle Scout project is out of this world!

HENRY WYNKOOP

Northampton's Elder Statesman

By Beverly Schaefer

A contemporary of George Washington, Henry Wynkoop is Northampton Township's most notable resident.

Portrait of Henry Wynkoop (1737-1816) by Rembrandt Peale, circa 1810.

He was born in 1737 on the 521-acre property purchased by his grandfather, Gerardus Wynkoop, which extended from the Neshaminy Creek to the intersection of Holland and Newtown-Richboro Roads. Henry went on to inherit the farm when his father, Nicholas, died in 1759. This derailed his plans to attend Princeton University (then known as The College of New Jersey) as he now had property to manage. He married Susanna Wanshaer in 1761 and two years later they had their first of seven children, all born within five years time.

The Wynkoop Mansion known as "Vredens Berg" or "Vredens Hof", circa 1910. It was destroyed by fire in 1911.

Henry, known as Judge Wynkoop, was largely self-taught in the law. He was appointed to a grand jury for the first of six times in 1762. Gaining stature and influence in the local community he then went on to be appointed as a Justice of the Peace and then as a lay associate circuit court judge. He was elected, at the age of 23, as a representative of the Pennsylvania Provincial Assembly, a position he held for 53 years.

In the run up to the outbreak of the American Revolution, Henry Wynkoop additionally served on the Committee of Safety, the Committee of Observation, and the Committee of Correspondence. He became known as an outspoken supporter of the drive for independence. From 1774 to 1776 Wynkoop was a delegate to the

Pennsylvania Provincial Congress. He then served as a member of the Second Continental Congress from 1779 to 1783. Tragically, his wife, Susanna, died in August of 1776 from injuries she sustained from either falling or hiding in a well when British soldiers or Hessians came to their property searching for Henry.

In 1780, Wynkoop was also appointed President Judge of the Bucks County Quarter Sessions Court at the same time as he was serving as the Judge for the High Court of Errors and Appeals. He resigned both positions in 1789 to take his seat as a member of the U.S. House of Representatives during the First United States Congress, serving alongside John Adams, Alexander Hamilton, Benjamin Franklin, and Peter Muhlenberg. While he never kept a diary, letters sent to his son-in-law, Dr. Reading Beatty, survive and tell of his excitement at being in attendance at George Washington's presidential inauguration at Federal Hall in New York City. Wynkoop had dined with Washington several times over the course of the war and both had a keen interest in agriculture.

Henry Wynkoop's gravestone - Dutch Reformed cemetery (present-day Addisville Cemetery).

In 1791, Wynkoop was named the first Associate Judge in Bucks County court. A few months later Pennsylvania Governor Mifflin named him as President Judge in the first Judicial District of Pennsylvania. Wynkoop continued to serve in his position as Associate Judge until his retirement in 1812. After his first wife's death, Henry Wynkoop went on to marry twice more, Mary Cummings who died in 1781 and then Sarah Newkirk.

**"A LIBRARY OUTRANKS ANY OTHER ONE THING A COMMUNITY CAN DO TO
BENEFIT ITS PEOPLE. IT IS A NEVER FAILING SPRING IN THE DESERT."**

ANDREW CARNEGIE

Dear Neighbor,

Our library has always been a source of pride for our community. Northampton residents have benefitted from the services and resources provided by the library. From story times to lectures on civics, there is something here for all ages. That is why we are reaching out to *you* to ask for your help this year in maintaining and enhancing our library.

In order to serve our patrons better, the library is seeking to add several services and programs in 2017. We need your help to make these dreams a reality!

Public Wi-Fi use increased by 43% in 2016. We need to add an additional access point towards the back of the library to make it easier for patrons to get online regardless of where they are sitting.

Nine Thousand Four Hundred and Twenty-Five individuals attended programs at the library in 2016. From baby story times, to science and computer coding for grade school kids, to enriching programs for adults, we bring in quality programs to educate, entertain, and enlighten our community. Record numbers of children and adults participated in library programs in 2016. We need your support to increase the number of programs available, and increase the support to coordinate these programs.

Visits to the library increased by 30% in 2016. We want your experience at the library to be as pleasant and smooth as possible. We want to install a self-checkout terminal near the circulation desk for speedier checkouts.

With your contributions, these goals are within our reach. Please consider giving a tax-deductible gift to the Free Library of Northampton Township this year.

Sincerely,

Diana Remington
Library Director
Free Library of Northampton Township

P.S. Together, we can change lives!

The official registration and financial information of Free Library of Northampton Township may be obtained from the Pennsylvania Department of State by calling toll-free, within Pennsylvania, 1-800-732-0999. Registration does not imply endorsement.

Yes, I want to make a tax deductible gift.

Please Accept my contribution of: \$25 \$50 \$100 \$250 \$500 Other \$_____

Your gift may be doubled when it is matched by your employer. Contact your Human Resources Department for details.

I am enclosing my signed company matching gift form with payment.

By check. Enclose your check payable to:
Free Library of Northampton Township

Please charge my: Visa Mastercard AMEX Discover

Name as it appears on Card _____

Card # _____ Exp. Date _____

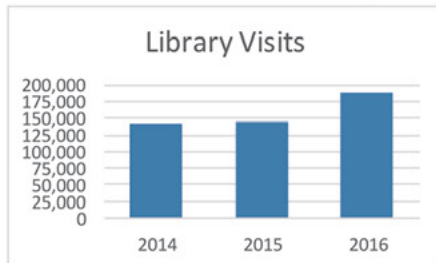

Signature _____ CVV _____

You may also make your donation by clicking on the PayPal Donate button on our website (www.northamptontownshiplibrary.org), by calling 215-357-3050, or in person at the library.

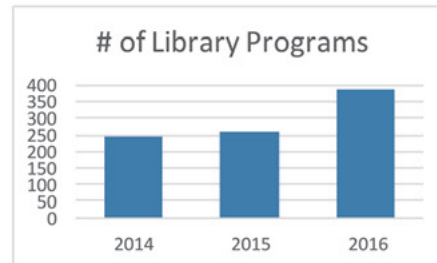

*Because of You,
Libraries Transform*

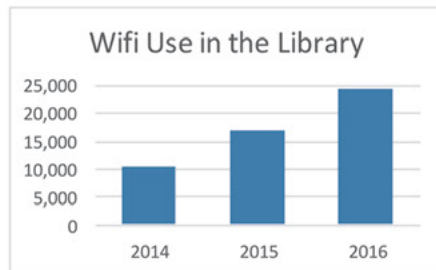

A Snapshot of the Past Year

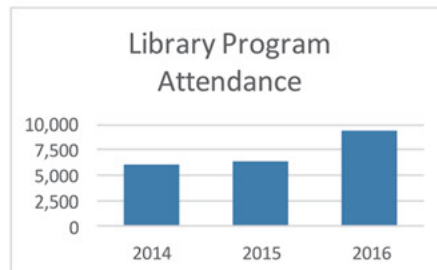

Library visits increased by 30% this year.

We're working to increase the quantity and variety of programs.

Public Wifi use continues to increase.

There was a dramatic increase in the number of people attending programs.

2016 was a year of growth.

To continue this trend of growth, we need your help! Your support ensures that everyone in our community has access to a wide variety of resources.

At the library, children develop a love for learning and reading, propelling them to great achievements throughout their education and into adulthood.

At the library, adults of all ages can find assistance with anything from a job search, to how to use a new tablet.

At the library, students have a place to study with access to homework help, reference resources for research, and a safe place to meet with tutors.

At the library, we can help you find what you need!

Let us thank you. Please complete the following.

Build a Better World! 2017 Summer Reading Club

Registration for the Summer Reading Club begins Saturday, June 17th

Come to the library to pick up a reading log and a small gift. Record how many minutes you read & return each week to show us your progress. The first time you return you will receive a key chain and charm. Each week you return to show us what you read, you will receive an additional charm for your key chain! For every 100 minutes you read, you will get a link for our paper chain. Continue to read all summer long to watch our paper chain grow and grow and grow . . .

YOUTH PROGRAMS

PLAY K ACADEMY

Mondays, thru August 7th
11:00am or 2:00pm.

For preschoolers who will be attending kindergarten in the fall. Join us for circle time and hands on learning stations. Each week will be a new theme. *Registration is required and begins June 17th.*

BUILDER STATION: Wednesdays, thru July 26

For Grades K-6. *Drop in any time between 12:00-4:00pm.* Snap blocks, Magna Tiles, wood blocks oh my... each week we will have different items to build with.

KNITTING: Wednesdays, thru August 9th at 3:00pm.

For grades 6 – 10. We will provide the needles and yarn and you can learn to knit! *Registration is required and begins on June 17th.*

READ TO THE DOGS

Tuesdays, thru August 8th at 1:00pm

For Kindergarten – 6th grade. Come in and read to the Nor 'wester Therapy dogs! *No registration necessary, just drop in!*

BUILD YOUR MIND AND BODY! BEGINNER YOGA CLASSES

- **Big Kids ages 7-11. Wednesday, July 12th at 11:00am**
- **Teens ages 12-16 .Wednesday, July 19th at 11:00am**
- **Family Program - preschool and up. Wednesday, July 26th at 11:00am.**

Join us for beginner yoga with instructor Jean Leary. Bring your own mat or towel and a bottle of water. *No registration necessary, just drop in!*

DESIGN IT, BUILD IT – LEAP INTO SCIENCE Monday, August 21st at 7:00pm

Family program for all ages. Fun family workshop with building and engineering! LEAP into Science is designed by The Franklin Institute to engage children in science by integrating hands-on science activities with children's literature. *No registration, just drop in!*

BOOK BUDDIES

Thursdays, thru August 10th
at 11:00am.

For Preschoolers age 3-6. Preschoolers and teen volunteers will be paired up to read together and make a craft. *No registration necessary, just drop in.*

ENGINEERING CHALLENGE

Thursdays, thru July 27th, For Grades K-8.

Drop in any time between 4:00-8:00pm. Each week, for 4 weeks, you will face a different challenge!

LET'S PLAY TODAY! PRESCHOOL FUN WITH LOLLY AND YOYO Tuesday, July 18th at 11:00am with Lolly

For Preschool -1st Grade. Music, bubbles, games and more! *No registration necessary, just drop in!*

ARCHITECTURE ADVENTURE

Tuesdays, thru August 1st at 4:00pm.

For Grades 1-6. In this weekly hands-on workshop we will build skyscrapers with edible materials, construct birdhouses, design a unique city skyline, and create a 3D neighborhood. *Registration is required and begins June 17th.*

ENGINEERING FOR KIDS

Thursday, July 13th at 7:00pm
For Ages 4-7.

ENGINEERING FOR PIRATES. Being a pirate is more than swabbing decks and searching for buried treasure. Pirates have to engineer ways to build their ship, load it up, and sail around the world.

Thursday, August 10th at 7:00pm For Ages 8-12.

ZIP SAIL AND PARACHUTES. Design and construct vehicles and safety mechanisms that achieve the fastest speeds while still maintaining safe racing conditions.

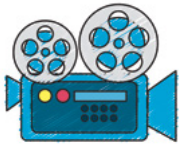

Registration is required and begins on June 17th.

FREE LIBRARY *of Northampton Township* continued

BUILD A BETTER WORLD TEEN SERVICE PROJECT

Tuesday, July 25th and/or Tuesday, August 22nd at 7:00pm

For teens ages 12 and up. Help us make no sew fleece blankets that we will donate to local homeless shelters. We will provide the materials – you provide the service! Teens can receive service hours. *Registration is required and begins June 17th.*

TEEN FILM WORKSHOP

August 14th – August 17th and Saturday August 18th from 11:00-4:00pm

For grades 6 – 10. A fun & educational 5 day workshop where teens learn to write, film and edit a short film. *Register by phone or in person beginning June 17.*

BUBBLE MAGIC: Wednesday, July 26th at 6:30pm.

Family event appropriate for grades K-4. Why are bubbles round? Why can we see colors in them? Find out in this fun filled workshop presented by the Discovery Museum of New Jersey. You can even step inside a giant bubble!

STORYUP!: Monday, August 7th at 7:00pm

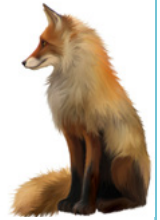

Family event for all ages. Join us on a unique adventure with this talented team of comedians, improv actors, and artists. Together they will tell an interactive story based on audience participation.

LIVE ENTERTAINMENT

No registration necessary for live entertainment events, just drop in!

EYES OF THE WILD: Tuesday, June 20th at 7:00pm.

Family event for all ages. Real live mammals from around the world! Get up close to these amazing creatures and learn lots of fun facts!

SCIENCETELLERS: Wednesday, July 12th at 7:00pm.

Family event for all ages. Enjoy a science filled live action tale featuring explosive experiments and audience participation. See how science can make the ordinary... extraordinary!

ADULT PROGRAMS

TUESDAY, JULY 11 AT 7:00PM: New York Times best-selling author Beatriz Williams returns to the library to introduce her latest book *Cocoa Beach*. Set in Prohibition-era Cocoa Beach, Florida, the historical novel is a tale of suspense, betrayal and love amidst the rough world of gangsters and rumrunners. Newtown Bookshop is a partner with the library for this program. *Register with the bookshop on the phone or online www.newtownbookshop.com.*

THURSDAY, JULY 20 AT 7:00PM: Mentalist Jesse Dameron presents *"Inside Your Mind"*. Experience an interactive mentalism show full of audience participation—a fascinating evening. *No registration.*

SATURDAY, JULY 29 AT 1:00PM: Meet Bobby Rydell, teen idol of the 60s and native Philadelphian, as he discusses his new book *Teen Idol on the Rocks*. Rydell's story is at times personal and painful, but his book also tells the story of a memorable period in American pop culture. An afternoon of fun, song, and memories. *No registration.*

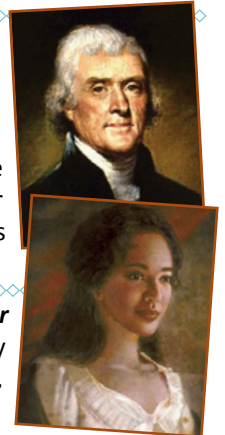

Join Nina Haydel on SATURDAY, AUGUST 12 AT 2:00PM as she presents *"Sally Hemmings and Thomas Jefferson: A Secret Love Story"*. Dr. Haydel presents in the first person, offering different points of view of the controversial relationship between the slave and the statesman. Learn about Sally's background and her relationship with the Jefferson family as well as her life as a free woman in Paris. *No registration.*

THURSDAY, AUGUST 17 AT 7:00PM: Rick Spector presents *"Nostalgia Cabinet"*. Take a trip down memory lane of 20th century popular culture. Films, fads, songs, television—remember the hulu hoop, tv theme songs. Spend an evening of fun. *No registration.*

3rd Annual Author Expo is on SATURDAY, SEPTEMBER 9 AT 2:00PM. Local authors display their books and talk to attendees about their experiences as published authors. Come and spend an afternoon and explore a range of titles from Children's books to adult fiction and nonfiction.

Make clutter go away and get yourself organized with Bobbie Burkhardt on **THURSDAY, SEPTEMBER 21 AT 7:00PM** with "De-cluttering and Organizing Made Simple. Get more done in less time with Bobbie's quick and easy solutions for your home or home office. *No registration.*

Fred Miller returns with a new Lecture-in-Song with "Old World/New World" on **SATURDAY, OCTOBER 14 AT 2:00PM.** Verdon Duke wrote the music to many American song classics and but he was known for his classical music scores in his home country of Russia. German-born Kurt Weil fled the Nazis in the thirties and softened his tone for his work in America. Learn about both musicians and how their backgrounds contributed to their truly American sound. *No registration.*

Need a Room for your nonprofit club or for-profit business?

THE FREE LIBRARY OF NORTHAMPTON TOWNSHIP HAS A ROOM FOR YOU!

Northampton Township Parks & Recreation Presents: *THE 2017 SIGHTS & SOUNDS OF SUMMER*

- JULY 13** **RIVER OF DREAMS** – recreating the memories, magic & music of Billy Joel. A real tribute to the Piano Man’s hits and the songs that take you back to your favorite memories!
- JULY 20** **MID LIFE CRISIS** – rock ‘n’ roll favorites: classic hits, 80’s and modern rock. A local band with flair.
- AUGUST 3** **A SEUSSICAL CELEBRATION** - * starts 6:30 pm ** kids musical fun from Bucks Co. Playhouse Youth Co., a magic show, costume & bike parade, bike safety tips from Northampton’s finest & ice cream social. Seuss-themed costumes and decorated bikes are encouraged!
- AUGUST 10** **THE MANGO MEN** - a guaranteed great evening ~ back to their roots with old favorites & new tunes with all of the same great sounds & energy. You won’t want to miss the end -of -the- season party!

- Admission is FREE.** Bring a lawn chair or blanket for comfortable seating.
- Location:** NORTHAMPTON MUNICIPAL PARK Amphitheater, 281 Hatboro Road, Churchville
- Concerts** held Thursdays, 7:00 PM, except for Seussical @ 6:30 pm. Held RAIN or SHINE! Inclement weather: @ Maureen M. Welch School, 750 New Rd., Churchville.
- Refreshments** through Northampton Twp. Lions Club. The Lions will be collecting non-perishable food items for local food banks at all the concerts. Your support is appreciated!
- Sponsored by:** Northampton Twp. Lions Club, TD Bank, McMahon Transportation Engineers and J.P. Mascaro & Sons.
For info, details and inclement weather updates, visit: northamptonrec.com

ART CAMPS BY MS. SIBYL

ART SAFARI (ages 7-10)

A lion roars, the hyena laughs, the elephant sounds their mighty trumpet! Let’s imagine being in Africa on the wild plains where these beautiful animals call home. This week is dedicated to the animals of Africa! Children will study their forms, their patterns, and the beautiful shades and hues of their habitat. Imaginative painting, drawing and collage will be a few ways we will create Art using these magnificent creatures.

ART IMAGINASTIX (ages 7-10)

Princess fairy in pajamas, French fries, frogs on ice?

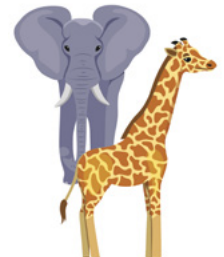

Bulldogs, butterflies, beets and spinach, tall rain boots on dancing mice
Children will have a wonderful week to imagine, develop, and create their own story, illustrate and decorate a unique piece of art. Brainstorming, collaborating, encouraging team building skills: all important to the process! The children will work as a group and individually to make their imaginative story come alive. Many artistic techniques will be explored and implemented in this project: paper marbling, collage, Geli print paper, oil pastels, original illustrations and more! Everyday kids create a new part of their piece. Take home a beautiful, custom keepsake at the end of the week!

CODE	ACTIVITY	AGES	DAY	DATE	TIME	LOCATION	FEES

ART CAMP FOR PRESCHOOLERS

LIONS, TIGERS AND BEARS - Oh MY! Fun at the Zoo (ages 3-5)

If your child loves animals and trips to the zoo, then they will love this arts and crafts class. The children will use a variety of craft materials to create various animals that they may see at the zoo! Each day begins with a short circle time.

INSTRUCTOR: Dana Beifeld, Certified Art Teacher
LOCATION: Rolling Hills Elementary School

CAMP HOT SHOTZ (Ages 5-15)

Hot Shotz Summer Hockey Camp will consist of on and off ice drills and games. We will focus on skating skills and team systems to make each player a well-rounded asset to the game. We will maintain a positive atmosphere to bring out the potential of each player. We aren't asking for your player to be the best player out there but the best that he/she can be. Boys and girls ages 5 and older are welcome.

Full equipment is required which includes- a helmet with full cage, knee and shin guards, elbow pads, chest protector, cup, skates and a stick. Skate rentals are included if needed.

CAMPS BY KATHY WICKLINE CASTING

Kathy Wickline, CSA (www.wicklinecasting.com) is a top casting director of TV and Film in Philadelphia and has selected real life projects for kids to enjoy while being introduced to the industry. She holds over 10,000 casting credits in film, commercials, and TV. (All footage is sent to a professional editor and orders will be taken for a USB keepsake at an extra charge.)

INTRO TO FILM AND TV CAMP:

On Camera Acting and Behind the Scenes (ages 8-15)

This is Wickline Casting's original course that started 18 years ago. Your children will work at cast and crew teams in this cool class/camp. Kids learn basic levels of acting, directing and operating the camera. Script writing, storyboarding and improvisation will also be introduced. They will work on lots of projects as commercials, film scenes, music videos, and public service announcements. Each day is different as they create their very own original projects. They will truly learn the basics of the biz.

CASTING CALL: Acting for the Camera (ages 8-15)

This camp is for the aspiring young 'actors' in your household. It is here that they will learn real auditioning skills by working with scripts for commercials and film readings. Your child will learn how to personalize characters and follow direction, block for camera and read with their 'co-stars'. Improvisation and ad-libbing (off the script) will be taught as a basis of making acting choices and trusting their instincts. Included in this camp is a take-home tutorial showing you ways to find acting jobs as well as a list of legitimate talent agencies.

COMPUTER EXPLORERS SUMMER CAMPS

FUN WITH ROBOTICS - Fire Trucks, Space Vehicles and More (ages 7-9)

The children will be challenged and have fun as they build and program their robots. They will use wireless technology to control their robots plus sensors and motors for motion and sound. Who will win the Fire truck race? Who will build the strongest Crane? Will their Space Vehicle move at different speeds?

CODE	ACTIVITY	AGES	GRADES	DAY	DATE	TIME	LOCATION	FEES

ENGINEERING FOR KIDS CAMPS

JR INVENTOR'S WORKSHOP (Ages 4-7 years)

We have opened up the workshop for a week of fun, creativity, and of course -- engineering! Over the course of a week, students will invent new machines and explore creative design solutions using the Engineering Design Process. Discover how a wind - up toy works and design your own drawing robot inside the Engineering For Kids Inventor's Workshop.

SURVIVOR: ENGINEER'S COVE (Ages 8 - 12 Years)

Students in this five-day camp will find themselves stranded on an abandoned island filled with perilous obstacles--dark caves, wild animals, cold temperatures, little food, and separation from the comforts of home . They will work collaboratively with their tribe members to compete against other tribes in specific engineering-related projects aimed at trying to survive the harsh island conditions and escape to their freedom. The tribe with the most points at the end of the week will claim the honor of Survivor: Engineer's Cove winner. During this interactive and competitive camp, students will explore the fields of electrical engineering, environmental engineering, aerospace engineering, and marine engineering as they design and construct tools that will help them survive and eventually escape the island.

ENGINEER INVESTIGATORS (8 - 12 years)

Become a forensics engineer and help Kelvin find out who stole the blueprints for his secret, new design. Using principles of investigative science and forensic engineering, students will analyze evidence in the simulated crime scene using math, science, and technology. Embark on a new journey each day to decipher cryptic clues and biological codes, and help us identify the thief through chemical and mechanical analysis. Time is running out, and Kelvin needs your help!

UNDER CONSTRUCTION (Ages 4-7 years)

Put on your hard hats engineers and join us for our The Engineering of Cities! In this camp, students work hard to apply their knowledge of construction to save the beach from erosion and build their very own city from the ground up. From roads and tunnels to buildings and skyscrapers, students discover that no job's too tough for an Engineering for Kids engineer! Building a city is more than roads and skyscrapers. In this camp, students explore civil, mechanical, and environmental engineering. Students explore the engineering behind objects that they see every day: skyscrapers, roads, tunnels, and even cranes.

MECHATRONIC MASTERMIND (Ages 8 - 12 years)

Eureka! Kelvin has finally done it! He has created a perpetual motion machine. But what is this?! An evil genius has stolen Kelvin's masterpiece -oh no! Kelvin is now looking for a trustworthy team to develop and test new gadgets that will help him find and safeguard his perpetual motion machine. Explore the basics of mechatronics engineering and logic based programming as students use little-Bits and work together to design gadgets, tools, and machines that will help Kelvin get out of any sticky situation he may encounter.

DESIGN THE FUTURE (Ages 8 - 12 years)

What does the future look like? Join us as we embark on an odyssey to explore the future of transportation, manufacturing and structural. Let's take a look at the innovations of today and apply them to create the designs of tomorrow as we explore ways to harness clean energy and house a growing human population. Become an engineer and help Design the Future.

IMPACT SPORTS SUMMER CAMPS

IMPACT BASKETBALL CAMP

Impact Basketball can provide a great opportunity to develop skills and knowledge of one of the country's most popular past-times. Our weekly program sessions are typically split into two periods with the first featuring concept drills and games and the second featuring conditioned game play. The themes typically focused upon include passing, dribbling, shooting, and defense.

PROGRAM BENEFITS:

- Provide positive role model
- Use the world's most popular game to get children moving and grooving
- Benefit from the experience of Impacts high level of program expertise

TOTAL SOCCER CAMP

Total Soccer program provides the opportunity for both new and experienced soccer players to continue their love of the game. Sessions include challenging games, progressive themes and a full scope of soccer skills practiced.

LEARN TO SKATE SUMMER SKATING CAMP

Welcome to Bucks Ice & Wintersport's 2017 Summer Skating Camp! The camp is designed to teach your child how to skate or to increase your child's basic skating skills. Campers will be separated according to their ability and interests, which include recreational skating, figure skating or hockey skating. Campers will have four hours of ice time including at least 30 minutes of instruction every day. The ice skating classes will be taught by professional ice skating instructors. Melissa Beck, Bucks Ice and Wintersport's Skating Director will be running the camp for its 11th year. Melissa has over 20 years of teaching experience. All campers should bring a helmet, gloves, lunch, water bottles, snacks and skates. Skate rental is included for campers who need to rent skates. Lunch is not included. On Friday, August 25th, the children will show off what they learned at camp all week at 3:30 PM with a performance. *Please contact Melissa Beck: mbeck@wintersportsice.com 215-675-3000 with any questions.*

SCIENSATIONAL WORKSHOP CAMPS

THE AMAZING 4 IN 1 ROBOT (Ages 6-11)

Build your own interchangeable robot to take home with four unique modes. It is truly a four-in-one motorized robot kit. Learn how the different gears work as you are building. You will be building the Cricket—a joy on six legs. Build the Beast. It is a master of bi-pedal movement. You will also build the Trailer—the little engine that could move forward thanks to its motorized transmission. Finally, the best of all, Grandpa-Bot Robot. It has huge eyes and is everyone's favorite bobble-headed, gear driven family member. Gain confidence, self-esteem, and celebrate as you are the architect that built it. Have fun, learn, and have hands on experience the Sciensational way!

MAKE IT AND TAKE IT HOME (Ages 6-11)

Science Projects you take home - that teach - that are fun. In this hands-on, fun, and exciting program, you will discover how amazing science is. You will make and take home a wide assortment of toys designed to teach you science concepts in a hands-on way. Grow and take home a crystal tree. Make an energy bead bracelet and watch as those amazing beads turn from white to a rainbow of colors before your eyes. Build a working electric motor. Make your own sharpie pen T-shirt and learn

some cool chemistry (student supplies a 100% cotton T-shirt). Make silly putty—glowing goo—green flubber and other cool projects. By the way...we will make ice cream in our own amazing, different, Sciensational way!

2017 BUCKSFIT 5K RUN RESULTS

It was a perfect day for a run as Northampton Township Parks & Recreation held the annual BucksFit 5K Run on Sunday, April 30 at the Municipal Park. Alex Caideo won top honors in the Overall Male category with a time of 17:16. Aubrey Bossert held overall Female honors at 23:39 and Katie Bosak won Overall Child with 21:42.

Additionally, area elementary students represent their schools by running in the School Division of the BucksFit 5K Run. New to the race this year were runners representing St. Albert the Great School, Huntingdon Valley, who won top honors.

Sponsor Bill Gregory of Buck Physical Therapy, Richboro presented the trophy along with a \$125 donation to the students for St. Albert the Great School's physical education program.

PARKS AND RECREATION 2017 DISCOUNTED TICKET PROGRAM

Tickets are available at the Administration Building, 55 Township Road, Richboro.
Pay by cash, credit card (Visa, Master Card and Discover), or check (Northampton Township residents ONLY) For more information and ticket availability call the Parks and Recreation Office at 215-357-6800 ext 249. Purchase your tickets early as supplies may be limited and prices are subject to change. All sales are final. No Refunds.

Property Evaluation Certificate

The key to obtaining the highest price in the shortest time when selling your home is proper pricing and presentation. This certificate entitles you to a professional assessment of the current condition of your home with specific suggestions on things you should and shouldn't do to prepare your home for sale. Whether you're selling next month or next year, this FREE SERVICE will help save you time and money by focusing on the things that will bring the greatest return on your investment.
