Love Through the Generations

In the past, our members have been able to enjoy the handmade Valentine’s Day cards that were delivered to our center from a local elementary school. However, this year was a little different and we are bringing the cards to you!

In February, the senior center partnered with the Northampton Township Park & Recreation preschool to bring our members this beautiful collage of Valentine’s Day cards created by the children. We hope your day was filled with love and happiness! A huge thank you to the Northampton Township Park and Recreation’s preschoolers and their teachers.

About Our Cover

Spring makes us feel refreshed and energized. When it is cold and cloudy (throw in COVID-19), we may feel a bit down and perhaps, defeatist. One of our members decided to focus on the positive and create a **Gratitude Board**.

Our cover artist, Maria P, decided to take items she had, some she created and others that made her smile. She placed them onto her *Gratitude Board*. Perhaps, a personal “lemons into lemonade” billboard.

One item on her *Gratitude Board* is the coloring square from our Jan/Feb newsletter. Maria decided to turn a plain piece of paper into a bright colorful statement, **Today I Choose Joy**.

Did you know? There are two theories about who put the first candle on a birthday cake. Some think it was in Ancient Greece, smoke was believed to carry prayers

to the heavens, like when we make a wish before blowing out our birthday candles today.

Others believe it started in 1746 Germany. Count

Ludwig Von Zinzendorf had an elaborate birthday festival with a giant cake adorned with candles: "Holes were made in the cake according to his age, each hole had a candle stuck into it, and one in the middle."

SENIOR CENTER ACTIVITIES

GOLF

It has been a long winter, so leave the “winter blues” behind and join the **James E. Kinney Senior Center Golf League**. The official start of the 2021 season will be Friday, April 9th at 8:20 AM at the Neshaminy Valley Golf Club.

All Senior Center members are welcome to join the league. If your game is ***not up to PAR*** (no pun intended), don’t worry we are all out to have a good time!

For more information, please contact the Golf League Coordinator, Jerry Royal, at 586-292-8858.

AEROBICS (a note from Nancy)

I can’t believe it has been a year since I have seen you! I am still working on new routines for our next video. I would love to get your input.

Drop me an email on any suggestions you may have. I need ideas for songs you have heard and would like me to use.

Also let me know if you want any more or less of certain things like abdominals, longer/shorter/harder/easier aerobics, etc. In the meantime, stay healthy and keep exercising!

Please email nancyox5@gmail.com to let me know how you are doing!

COLORING CLUB

You are invited to join a virtual ZOOM meeting with the Coloring Club for 40 minutes each Wednesday at 1:30 PM. This invitation is open to anyone that likes to color outside the lines, inside or make your own lines!

To join this colorful group, please send an email to Arlene at robbi654@msn.com. The next step is to gather your colored pencils, gel pens, and markers, then download the free ZOOM app to your PC, tablet, or cell phone. **Happy Coloring!**

“TECH TALK” — LET’S TALK TECH TOGETHER

We are pleased to report our “**Tech Talk**” survey was emailed in January and we received a VERY positive response. Thanks to those who participated!

We are in the process of compiling your data to create an individual program that fits your type of device, your comfort level and to accommodate the information you shared in the comments section.

Members will be contacted individually to discuss the survey, your tech needs and your questions. A few of your comments/questions can be answered over the phone or we can meet via “Zoom” (so we can see you and your device). Once we reopen, a one-to-one training will be scheduled. We will talk before that time so you can get started!

If you have not received the senior center’s “**Tech Talk**” survey or have questions about the program, please send your name, email and phone number to nhsc@nhtwp.org or call 215-357-8199.

We can’t wait to make “Tech Talk” the talk of the town!!

An Indoor/Outdoor St. Patrick's Themed Scavenger Hunt!

You can complete the hunt around town, at home and with or without photos. Those who decide to send us pictures, we can create a collage in our "IN the LOOP" e-blast and in the next newsletter. Be creative, be silly and have fun!

Find the following and take a picture of:

- A St. Patrick's Day Object (sign with a shamrock, leprechaun, pot of gold)
- A person wearing a "Kiss me, I'm Irish" shirt.
- You posing by an Irish pub. At home, a photo eating something green.
- A rainbow
- Something shiny gold (or if you are lucky, a pot of gold!)
- You eating or drinking something green
- Someone with red hair, green hair or a green beard
- You or someone else wearing something green or perhaps a kilt
- A potato (cooked, uncooked or a box of potatoes)
- A green object in nature (clover, shamrock, grass, plant etc.)

At home: Find "like" items, make a sign, draw, color or use food coloring.

SPRING PREP FOR YOUR HOME

Spring will be here before we know it so it’s time to trade the winter blahs for springtime ahhs! A few ideas to get you started toward a clean, happy and organized home. You can tackle the tasks yourself, barter with a friend for help or contact a licensed professional.

- ◇ **Clean your Dryer Vent**
- ◇ **Wash your Windows**
- ◇ **Wash or Dry Mop the Walls, Baseboards and Outlet Covers** with a sponge or brush and mild soap and water (dry covers before replacing).
- ◇ **Clean or Replace Water, Range Hood and Air Vent Filters** (best bet, every 3-6 months). This, with a little decluttering, will keep dust and other allergens away.
- ◇ **Clean Your Grill and Inspect the Gas Tank** (make sure your tank is safe and has enough fuel)
- ◇ **Prep Your Garden** Clean debris from the beds and get the soil ready for spring plantings (and your blubs to appear). For indoor plants, refresh the soil, use fertilizer sticks and perhaps, change the pot.
- ◇ **Test Smoke Alarms**—Test smoke alarms and CO detectors, and change out batteries as needed.

SPRING PREP FOR YOUR CAR

Inspect, Rotate And Align Your Tires—To get the most out of your tires, get them inspected. An inspection should include a check of the tire pressure and tread (balding tires and wet roads do not mix). You may also want your tires rotated and aligned.

Check your Brakes—Safety first, most national retailers offer free brake inspections.

Check your Oil, Cabin Filter, Fluids, Belts and Hoses

Have a technician change your oil and check/replace the following:

- Fluids:** Power Steering, Brake, Transmission, Wiper Fluid, Antifreeze/Coolant
- Check:** Air Filters, Belts, Wires, Hoses, Air Conditioner Unit, Battery, Wiper Blades

Check Your Vehicle’s Battery—Most auto parts stores offer a free battery inspection. If you suspect your battery life is low, check the installation date and visit an auto parts retailer if it is older than four years.

Wash your Car, the Interior, Exterior and Underbody—Many of us take great pride in a car that gleams in the spring sunshine. Remember to clean the underbody to remove any gravel or salt build-up.

PRACTICING GRATITUDE ~ Create a Gratitude Board

(page 3 cont.)

A **Gratitude Board** is about the people, experiences, and things in your life that make you feel grateful and appreciative. Take photos, sentiments, magazine clippings—anything that makes you happy—and attach to a bulletin board, white board or organize items on a table. If it sounds simplistic, consider how easily we tend to focus on the negative or what we cannot control. Use your energy toward the things that make you happy.

If you do not have space for a board, make a gratitude box or jar. Write positive things that happen to you on a piece of paper, date it and place in the box or jar. Include whatever (or whomever) makes you smile and feel grateful. For example—a surprise gift, accomplished goals, happy memories, fun or touching moments.

For a digital option, try **Grateful** (it’s free!). Each day, the app will send you a prompt to type what you are grateful for or just send a photo. The app will save your entries to create a digital gratitude journal. Try it!

The Senior Center has the PERFECT Rental Space for your Party or Business Meeting!

The James E. Kinney Senior Center can help make your business meeting, family party or community event a success! Our BRIGHT 3,000 sq. foot room has seating for up to 200 people.

If you need a small space, our retractable partitions will allow for several configurations to meet your needs.

For your convenience, your rental includes:

- *Chairs and six-foot tables
- *A separate entrance for the rental space
- *An attendant on-site

An Everlasting Sentiment, Brick by Brick
