

Great news -- We've gone digital!

As part of our participation in the CARFAX Police Crash Assistance program, all crash reports for the **Northampton Township Police Department** are now available for purchase online. You'll save a trip to the station, postage, or a phone call when you buy from our new online accident report distribution site. You can access accident reports right online, 24/7, by visiting:

[www.crashdocs.org](http://www.crashdocs.org)

And, if you're an institutional user, you can be automatically billed on a monthly basis for the reports you buy. No need to write individual checks or make multiple card charges every time you need to access a report. If you prefer, though, you can always pay with a credit card on the spot.

Accident reports for hundreds of police agencies can be downloaded at CRASHDOCS.ORG, so be sure to bookmark the page.

*To learn more about CARFAX Police Crash Assistance and CRASHDOCS.ORG, or to set up an account to be billed monthly, please call 1.800.990.2452.*
