

RESOLUTION R-15- 9

WHEREAS, the Board of Supervisors of Northampton Township hereby finds that a disaster, (as defined in Act No. 32, of the 1978 Session of the Pennsylvania Legislature) has occurred (or is imminent) based upon the following facts and information:

A winter storm impacting the region has necessitated the use of contractors to support the Municipal Public Works Department in snow removal efforts. Timely snow removal from public streets is essential to the health, safety and welfare of our community.

THEREFORE, BE IT RESOLVED, by the said Board of Supervisors pursuant to and under the authority of the aforesaid Act, that local disaster/limited state of emergency is hereby declared effective February 17, 2015 at 0300 hours.

The Township Coordinator of Emergency Management is hereby directed to give prompt and general publicity to this Declaration, and also to file it promptly with the Bucks County Emergency Management Agency.

The Declaration shall activate any and all applicable local emergency management plans of the Township, and shall authorize the furnishing of aid and assistance hereunder.

RESOLVED this 25th day of February 2015.

FURTHER, WHEREAS the weather conditions as of 1500 hours February 17, 2015 have now changed to a point that it was deemed no longer necessary to maintain a limited state of emergency.

THEREFORE, BE IT RESOLVED by the Board of Supervisors that, as of 1500 hours on February 17, 2015 the limited state of emergency is declared to no longer be in effect.
