A WARM WELCOME....

To our new Thursday morning chair yoga instructor Marcy Anderson. Marcy has been practicing yoga for approximately 12 years. Yoga immediately became her passion & she knew she had to pursue the practice at a much deeper level.

For the past several years, Marcy has taught Chair and Restorative yoga at many local independent living facilities. We would like to welcome Marcy to the Senior Center. Stop by on Thursdays at 9:15 AM to give her class a try!

Chair yoga is a wonderful option for those students with balance issues, have certain limitations or are just looking for a slower pace. It not only has the benefits of regular yoga, such as helping with stress, pain and fatigue, but it can also help with joint lubrication, balance and even age-specific issues like arthritis. Chair yoga is a beautiful practice that provides support to the body, mind and spirit.

This time last year we kicked off our “Awesome Project.” The purpose of the project was to reinforce the meaning of awesome, and how each and every one of you is awesome in your own way. We highlighted the benefits of being a member of our awesome center – the opportunity to participate in classes at discounted rates, every two months our entertaining and informative center newsletter is delivered to your home, invitations to special “Members Only” parties and let’s not forget the “Awesome Members Perk Packet.” A coupon booklet filled with discount offers for area businesses. This year’s Perk Packet is bigger & better than last year’s with 14 local businesses participating in our “Awesome” project. **This is an offer exclusive only to the members of our center!** All of these benefits of being a member of our senior center for just \$20 a year!
