Administration

Dear Northampton,

On behalf of all the Board of Supervisors, I'd like wish the residents of Northampton Township a Happy and Healthy New Year. I hope this newsletter finds everyone well. As the Township embarks on another year, I want to take this opportunity to introduce new Board member Adam Selisker as well as provide the residents of Northampton Township with a "State of Township".

Mr. Selisker was appointed by the Board of Supervisors at their October 10, 2018 meeting to fill a vacancy on the Board. Many will recognize Adam from his service as a member of the Northampton Township Volunteer Fire Company, where he has been a volunteer for thirty-eight (38) years and currently serves as Fire Chief. Mr. Selisker also served appointments by the Board of Supervisors to the Township's Emergency Service Board and the Building & Fire Code Board of Appeals. In addition to volunteering, Adam is the Global Vice President for CRC Industries Inc. where he has worked for 25 years. Adam and his wife Terry live in the Northampton Chase section of Northampton with their three children. Please help me welcome Adam Selisker to the Board of Supervisors.

As we begin 2019, I would like to take this opportunity to provide the residents of Northampton Township with an annual update of the 2018 – 2019 State of Northampton Township.

2018 was the year of the Grants. The Township received \$15m in State Grants. Some of the infrastructure improvement projects are highlighted here.

Township Road Extension/Roundabout: Engineering design continued in 2018 for an extension of Township Road to the intersection of Bustleton Pike and Second Street Pike, including construction of a roundabout at that location. The project will relieve congestion at the intersection of routes 232 & 332. Preliminary plans have been submitted to PennDOT for comment and the Township has submitted grant applications for construction dollars from the State's Multi-Modal Funding sources. Announcements are expected in mid-2019.

Mill Race Bridge Replacement: Completed Engineering Design for Buck Road Streetscape Improvements; including a new bridge over Mill Creek, and improvements. PennDOT will complete the \$8 million construction phase with Transportation Improvement Plan funds. Construction is expected to begin in 2019 or 2020.

Richboro Sidewalk Connections: Planning got underway in 2018 and will be completed in 2019. Planning for this project will be completed in 2019 and is intended to fill in some gaps and replace sections of sidewalk to make the Village of Richboro pedestrian friendly.

Jacksonville/Almshouse Intersection: In 2018, engineering design work started for widening and traffic signal improvements at Almshouse and Jacksonville Roads. The project will include left turn lanes on both roads to improve traffic flow and motorist safety. This project has been added to the PA TIP program which means the State will fund the entire project in the next few years.

New Road Trail Head: The Township received a \$237,567 grant from the Department of Conservation & Natural Resources to construct a small parking lot and trail connection to Municipal Park. Design and construction are planned for 2019.

Administration *continued*

All-Inclusive Playground: In partnership with the Miracle League, the Township received two grants totaling \$320,000 for improvements to the All-Inclusive Playground in Municipal Park. Total project cost estimated at \$600,000 with the balance of \$280,000 coming from the fund raising efforts of the Miracle League.

Civic Center Improvements: Through the assistance of grants from the Department of Conservation & Natural Resources and the Department of Community & Economic Development, the Township receiving \$642,000 for improvements to Civic Center Park. This includes interior park trails, parking lot improvements & expansion, storm water improvements and field regrading. Design is nearly complete and construction is anticipated to begin in 2019.

Rook Farm Preservation: Utilizing the Township’s remaining allocation of the Bucks County Open Spacing funds, as well as additional township dollars, the 75-acre Rook Farm located on Temperance Lane will be permanently preserved via a conservation easement.

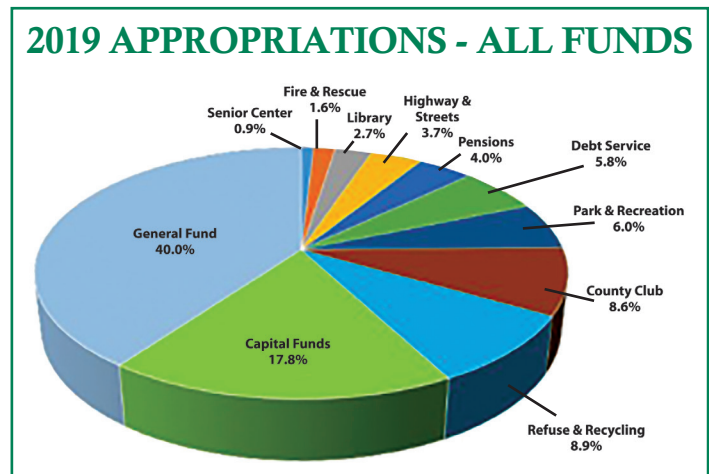

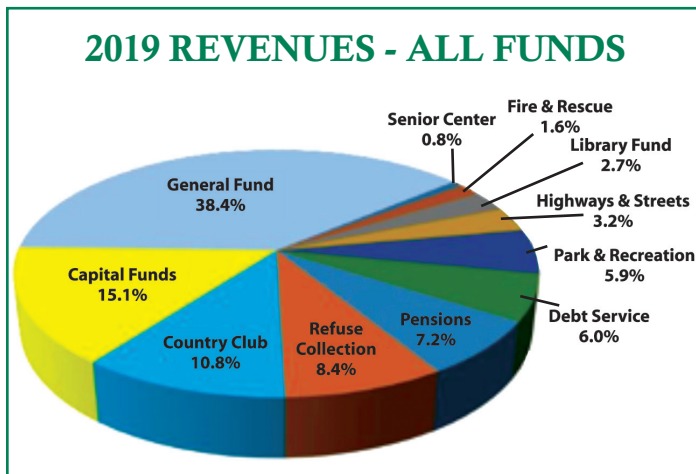

2019 BUDGET SUMMARY

At their December 19, 2018 meeting, the Board unanimously adopted the 2019 Budget. **THERE WILL NO TAX INCREASE IN 2019.** The Budget maintains current municipal services.

Operating appropriations allow the Township to continue the high level of services expected by our residents. The appropriations support accustomed levels of police, fire and rescue services, the maintenance of public roads, recreation services and programs, park maintenance, refuse and recycling collections and the operation of outstanding bonds and funding for infrastructure improvements and capital equipment purchases.

2019 BUDGET SUMMARY

Total Budget	\$44.2 Million
Operations.....	\$34.5 Million
Capital.....	\$7.9 Million
Pension Funds.....	\$1.8 Million

The 2019 Budget does not include a real estate tax increase, nor does it contain a Refuse Fee Increase. It does continue investment in Township infrastructure and enhances Police, Fire & Ems Services. The 2019 Budget also includes the operation of Northampton Valley Country Club, which was purchased in September of 2018.

In closing, Northampton Township finances are stable, reserve balance is adequate, and we will continue an aggressive infrastructure improvement program. We will continue to utilize many alternative funding sources when possible. The 2019 Budget continues to incorporate long term financial planning and a 10 year capital plan. As always, the Board of Supervisors and the Administration will continue to do our best at making our township a desirable place to live, play and work. Yard Waste Bags Available

Biodegradable bags are available for purchase at the Township Administration Building during business hours. Bags can be purchased for 40 cents each or bundles of 50 for \$20.00.

Permanent and Moveable Street Basketball Hoops

Moveable street basketball hoops **are not allowed** in the street and curb areas. Garbage trucks and snow plows inadvertently hit these objects when operating. Please remove all objects to the curb right of way or turn the basketball hoop so that the rim does not hang over the street where a truck bed can hit it. The operator's focus is on the task at hand and the curb; because of the size, weight, and noise of the truck; operators are often unaware that they have hit anything. Not only does this damage the rim of the basketball hoop; it also does severe damage to the truck. **The Township is not responsible when these items are hit.**

COLLECTION DAYS ARE ONCE A WEEK

Important information about your Trash, Bulk, Recycling and Yard Waste collection . . .

- One (1) time per week collection
- Holiday Schedule: skips one day (See Below)
- Trash and Recycling and Bulk item on the same service day
- Green Carts: Single-stream recycling collection only!
- Yard waste collection: is the day following collection of Trash/Recycling

Household Trash Collection

Trash will be collected once a week depending on where you live. Each household is limited to twelve (12) bags or cans of trash per collection. Collection starts at 6 am, so put trash to the curb the night before, or plan accordingly. Use plastic or metal trash cans or plastic trash bags. All Trash should be bagged, please do not put out trash in paper bags, cardboard boxes, or containers smaller than 20 gallons or larger than 32 gallons. These cause litter!

Holiday Schedule

If scheduled collection day is a holiday then collection will occur the next day. This will affect collection in all areas of the Township for the rest of the week. Example: Monday, Memorial Day, Monday collection will occur Tuesday, Tuesday collection on Wednesday and Thursday collection on Friday (for that week only). Holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

Bulk Item Collection

All residents may place one (1) bulk item curbside for collection per week. These items can include furniture, carpets, appliances and tree limbs or trunks larger than 3" in diameter (cannot be longer than 36") certain restrictions apply. Carpets and padding must be cut into 3-foot widths, rolled, tied or taped. Windows, mirrors, glass panels in doors, etc., must be taped in a crisscross pattern to prevent breakage. Only 10 rolls of carpet/padding per pick up. Refrigerators, air conditioners, and humidifiers contain Freon, which is considered hazardous; you must call to schedule a pick up, 1-800-432-1616. There is no charge for this service.

Disposal of Household Paints

Latex paint: Let paint dry in can. Adding kitty litter or a commercial drying agent will speed up the drying process. When paint is dry, double bag the can before putting it in the trash. Leaking paint will damage our trucks and stain your street.

Oil based paint: is hazardous waste and will not be collected. Call Bucks County Planning Commission (215-345-3400) for drop off locations and dates.

Leaf and Yard Waste Collection

December 16 to March 31

Yard waste is collected the same day as trash and limited to five (5) containers. Cans may be used and plastic bags may be used only during this time.

APRIL 1 THROUGH DECEMBER 15

Unlimited yard waste will be collected and taken to a composting facility the day following collection of trash/recycling. Always use biodegradable, 30-gallon paper bags or trash containers that do not weigh more than 50 pounds when full. Yard waste in plastic bags will not be collected. Tree branches and shrubbery must be no more than 36 inches long and less than 3 inches in diameter. They must be bundled and tied, taped or put in biodegradable bags. Branches or shrubbery cannot extend over the top of the can or bag. Christmas Tree Collection: Christmas Trees should be placed curbside the third week in January the day after your regular pick up, to be collected as yard waste and recycled. After that Christmas Trees will be collected as a bulk item.

Fire Marshal

COLD WEATHER FIRE SAFETY

As we move through the cold days and colder nights of the winter months many residents utilize wood stoves or fireplaces. In addition to inspecting and cleaning your chimney annually, ash disposal from these operations must be done safely. Fireplace, and stove ashes can remain hot for two weeks or more. Ashes should be stored in a covered metal container outside your home away from the house. Never ever store them inside your house or garage, or in a container next to your home!

Space heaters need space, and proper electric supply. If you use an electric space heater plug it into a properly sized electrical receptacle. Avoid the use of extension cords unless properly sized to handle the heater. Never use multitap or power strips for these units. Maintain adequate clearance from your heater to combustibles as specified in the manufactures instructions.

Frozen pipes are a pain, and inconvenient at the least. Never thaw your pipes with a torch, as this can lead to a fire. Hairdryers can be utilized with caution; however, it is best to slowly thaw a frozen pipe with warm air.

Additional information is available by contacting the office of the Fire Marshal at 215-357-6800

Vincent Deon

Meet Your New Northampton Township Tax Collector

On December 19, 2018 the Northampton Township Board of Supervisors selected Vincent Deon as the new Tax Collector to fill the remainder of the term of the prior Tax Collector, Bob Borkowski, who retired early from his term due to illness. Although appointed, Vincent will be required to run in the upcoming municipal election to fulfill the remainder of Bob Borkowski's 4 year term. Following news of the vote, Vincent commented, "I am honored to have the confidence of the Board of Supervisors and I look forward to the opportunity to serve in this role."

Vincent joined the Tax Collector's Office in December 2017 as the Office Manager. In April of 2018, Bob Borkowski promoted him to Deputy Tax Collector. Since this time, Vincent, along with the office's competent staff, has headed the day-to-day affairs of the office which includes: ensuring diligent financial oversight by timely and accurately transmitting taxpayer monies to the County of Bucks, Northampton Township and the Council Rock School District; resolving taxpayer transactional issues; supervising a staff of 4 employees; and, developing and implementing programs and initiatives that benefit Northampton

Township citizens. Vincent partnered with the Bucks County Treasurer's Office to offer BUCKS COUNTY DOG LICENSES for sale so residents do not have to drive to Doylestown every year.

In this capacity, Vincent will serve as Tax Collector for Council Rock School District's real estate and occupational taxes, Bucks County and Northampton Township's real estate taxes and Northampton Township's trash fees. He has successfully completed the Act 48 Tax Collector Qualification Examination and has fulfilled all requisite Act 48-2015 Qualified Tax Collector Continuing Education and Pennsylvania State Tax Collector's Association Certified Tax Collector course updates.

In September, Mr. Deon supervised the move of the Tax Collector's Office to its new location at 815 Bustleton Pike with little disruption or inconvenience to our residents. "I am proud of the way Vincent has been running my office", Mr. Borkowski remarked. "The new location at the old Fox Chase Bank building is conveniently located and in the new space, office personnel are easily accessible for greater community service", he added. At Mr. Borkowski's request, Vincent designed the layout of the newly relocated tax office and oversaw the office renovation and establishment of the Records Management Program.

Vincent has been on the Board of Directors of the Aldie Counseling Center, a non-profit drug and alcohol treatment center with a \$6M budget, for 24 years and served multiple terms as President of the Board. Under his leadership, Aldie expanded its offices to include a presence in Lower Bucks County.

Mr. Deon holds a Bachelor of Science Degree in Marketing from Saint Joseph's University and is a graduate of the United States Air Force Non-Commissioned Officer Academy. He is an honorably discharged Air Force veteran who remains active in Veterans Affairs within the County and is a proud member of American Legion Edgar H Denson Post 79 in New Hope. as well as the Doylestown F&AM Lodge 245.

Currently in his 3rd year as a board member of the Northampton Bucks County Municipal Authority, Vincent was a Northampton Township Supervisor from 2006 until 2011. Prior to joining the Tax Office, Mr. Deon was a recruiter for executives in the banking industry. Vincent is a life-long Bucks County resident (with the exception of his 4 year military service) and he has lived in Northampton Township for the past 27 years. Vincent resides with his wife, Grace, and their daughter, Aubrey, who is studying Biology at Bucknell University.

Northampton Township Police Chief Corner!

The Northampton Township Police Department is pleased to announce the following promotions:

- **Lieutenant Charles Pinkerton** began his career with the department in June 1990 as a patrol officer. He was promoted to Detective in 2004 and the Detective Sergeant in 2014. He assumed the rank of Lieutenant on October 1, 2018. Chuck is a graduate of St. Joseph's University and Northwestern University College of Police Staff and Command. Lieutenant Pinkerton will serve as the Operations Lieutenant supervising the uniformed patrol division.
- **Detective Sergeant Steven Heath** began his career with the department in May of 1996 as a patrol officer. He was promoted to Sergeant in April of 2003 and Detective Sergeant in October of 2018. Detective Sergeant Heath is a graduate of St Joseph's University and Northwestern University College of Police Staff and Command. Detective Sergeant Heath will supervise the investigation division.
- **Sergeant Ryan Share** began his career with the department in March of 2006 as a patrol officer. He was promoted to Corporal in 2014 and Sergeant in October of 2018. He is a graduate of Temple University. Sergeant Share will supervisor one of the uniform patrol platoons.
- **Corporal Sean McLaughlin** began his career with the department in July of 2010 as a patrol officer. He was promoted to Corporal in November of 2018. He is a graduate of Millersville University. Corporal McLaughlin will serve as an assistant platoon supervisor in the uniform patrol division.

False Alarms

Please help us reduce the number of unnecessary alarms received by the police department. False alarms take officers away from performing necessary functions that ensure public safety. Here are a few simple steps to reduce false alarms.

1. Select a quality alarm system that fits your needs.
2. Select a professional to install your alarm system who can explain the use of the system to you and those who will be using the system on a daily basis.
3. Ensure that everyone who will have access to the alarm system has a full understanding of what they must do should the alarm activate.
4. Arrange to have a competent professional conduct an annual preventative maintenance checkup of your alarm system.
5. Periodically review alarm system procedures with those persons who will be using the alarm system.

Soliciting

It is illegal to solicit goods or services in Northampton Township without a valid permit. Permits can be obtained by stopping at Police Headquarters and picking up and filling out an application. Anyone who passes the background check will be issued the permit that includes the time of day permitted to solicit as well as any other restrictions that are placed on the applicant. If someone comes to your door attempting to sell a service or product ask for the permit. If they have a permit fine, if not please call the Police at 215-357-8700 so they can be investigated.

It's usually early spring when we start to experience the driveway scams so please be aware of quick seal that washes away with rain.

Planning and Zoning Corner

The following is multi-part series on the planning and zoning process. In each issue, we will focus on a particular area in order to better help you understand the documents, process, and terms that guide planning and zoning in Northampton Township. This month we will focus on the Northampton Township Zoning Ordinance.

What is the Zoning Ordinance?

As discussed in our last edition, the Pennsylvania Municipalities Planning Code (MPC), allows municipalities, such as Northampton Township, to adopt a Zoning Ordinance and outlines the procedures to do so. In summary, the Zoning Ordinance contains the following:

- A map identifying the zoning designation of each property in Northampton Township.
- The zoning requirements for each district, such as the setbacks from a property line to build an addition, minimum lot areas, and lot coverage requirements.
- The permitted uses in each district, such as uses permitted in the various commercial districts and industrial zones.
- Parking requirements for uses, such as retail stores and office buildings.
- Requirements related to sheds, fences, and detached garages.
- Regulations with respect to signage.
- Administrative procedures related to the Zoning Hearing Board, which is the Board that hears variance and special exception requests. For example, if your addition proposes a fifteen (15) foot side yard setback and you are required to have twenty (20) feet, you can file to the Zoning Hearing Board. In the next issue, we will focus on this process in greater detail.

If you have any questions, feel free to contact Mike Solomon, Director of Planning and Zoning, at 215-357-6800 x214. He will be happy to answer any questions.

Next Issue: Zoning Hearing Board

Development Status Update. . .

The following are the development projects that have been approved in Northampton Township since our last newsletter.

Rolling Hills Elementary School

Located at 340 Middle Holland Road, Council Rock School District proposes to construct two additions to the existing school. One addition is approximately 1,800 square feet and the other is approximately 14,000 square feet. The district is also proposing the installation of solar panels on the southern portion of the building.

Spring Mill Country Club

Spring Mill Country Club is currently zoned REC - Recreation, which permits development in accordance with the standards of the R-1 zoning district. As a result, single-family detached homes were originally proposed, which would have seen the development of the golf course. Due to a collaborative effort with the developer, neighbors, and the Township, however, the zoning was changed to permit 175 townhouses on the front of the golf course property on Hatboro Road. As part of this approval, the golf course will not be developed and will have a conservation easement attached to it that will preserve it in perpetuity. In total,

155 acres constitutes the golf course area that will be preserved while 30 acres will be devoted to the area of the townhouse development.

If you have any questions, feel free to contact Mike Solomon, Director of Planning and Zoning, at 215-357-6800 x214.

Darla DeMorrow returns to the library on **Thursday, March 21st at 7:00pm** with a new take on decluttering entitled **"All That Clutter Used to be Money"**. The stuff that you want to organize and perhaps even trash was paid for with good money—how then can you part with it. Such a situation becomes a vicious cycle with clutter getting in the way of budgets and vice versa. But with Darla's **"SORT and Succeed"** system save money and clear your space—part decluttering, part financial education. *Call to register.*

Paying for a college education is a daunting task. On **Tuesday, March 26th at 7:00pm**, join **Dr. Kevin Bukatman** with a free workshop entitled **"Financial Aid: the Challenges of Paying for a College Education"**. Dr. Bukatman will explain the major changes in financing a college education such as the difference between the FAFSA and CSS financial aid forms. Scholarship opportunities will also be discussed. *Registration required, contact the library.*

In another brilliant one-man-show, actor **Neill Hartley** portrays Franklin Delano Roosevelt in **"FDR: An Arsenal of Democracy"** on **Saturday, April 13th at 2:00pm**. The pivotal day in history was December 29, 1940—the day FDR gave his Arsenal of Democracy speech to the American people. Learn FDR's thoughts on the European War, his vision for America in this world at war, and his plea for popular support of this vision. This day altered the course of United States history--experience it firsthand. *No registration.*

PLAYGROUND IMPROVEMENT PROJECT APPROVED FOR GRANT FUNDING

The Miracle League of Northampton Township PA and Northampton Township have embarked on a journey to improve the already popular playground at the Municipal Park on Hatboro Road. Planned Improvements to make the playground all-inclusive will include the installation of new safety surface and new equipment that will welcome children and families of all abilities to learn, play and grow together.

The cost of the improvements will be funded by a PA Department of Conservation and Natural Resources grant, a grant from the Department of Economic Development, the Miracle League and private donations.

Fundraising is on-going. If you are interested in making a donation to support the purchase and installation of new equipment so children of all abilities can play together without experiencing physical or social barriers, contact Nancy Opalka, Director of Parks and Recreation at 215-357-6800. Your support is much appreciated and needed!

ANGEL TREE ON DISPLAY AT RECREATION CENTER

Another year of big giving from little hands as Northampton Township's Recreation Program, Preschool Potpourri, is giving back to those less fortunate during the holiday season.

As in the past several years, an Angel Tree was on display at the Recreation Center. The "angel ornaments" were supplied by Council Rock School District to be placed on the "Angel Tree." Each "angel" represents a child or family who is in need of a gift to open during the holiday season. On the back of the "angel" is the age, gender and gift wished for or needed for either the child or family. Some gifts were as simple as razors, umbrella, and a backpack for school or a gift card.

Parents of the Preschool Potpourri children were encouraged to include their child in the shopping experience. The reason for this project is not only to help less fortunate children smile during the holiday season, but also to teach the preschoolers that there is real joy in the gift of giving. This year Northampton Township Preschool Potpourri families donated over 60 gifts and or gift cards.

FLOWER POWER THE POWER OF FLOWERS
 MARCH 2-10, 2019 • theflowershow.com

The 190th PHS Philadelphia Flower Show will pay tribute to the enormous impact of flowers on our lives. From the first blooms of spring in your home garden to the expansive fields that fuel whole economies, flowers influence how we feel, think and act in small and global ways. Exhibits will take a holistic approach to the theme with sweeping landscapes and artful interpretations that inspire, convey emotions, examine fragrance and color and convey a universal language.

The annual Flower Show is a top destination and "must experience" horticultural event, attracting over 250,000 visitors annually to the Pennsylvania Convention Center, a showcase of excellence that dates back to 1829.

“Reindeer in Training” Make Special Appearance at P&R Book and Bedtime Event!

The annual Parks & Recreation Book and Bedtime event took place on December 5 and 6 at the Northampton Free Library. As in previous years, this event is always an early sell-out. With the help of the children’s librarian and “elves” from Council Rock LINC’s program, there were lots of songs, crafts, snacks, and interaction for all. Mrs. Claus read books to the children who came dressed in their PJ’s, and brought their lists for Santa. After all the activities, Santa arrived to delight the children and stayed to hear the children’s holiday wishes and take photos. Two special “reindeer in training”, Jingle and Bell arrived to bring Santa and Mrs. Claus back to the North Pole. The children had an opportunity to pet the reindeer and take a photo too, adding to the memories of this special evening. Jingle and Bell, when not working as “reindeer”, are miniature therapy/service horses who work with Vets at local VA hospitals, provide therapy for children with cancer and severe health issues at CHOP among other charity work. They are trained by Richboro residents Rosalind and John Sachacznski, along with their older children. You can learn more about their important work at: Jacob’s Mane of Hope: www.jacobsmaneofhope.org.

Special thanks to Santa and Mrs. Claus, Jacob’s Mane of Hope, and Laura Canfield, Fred Walters, CR L.I.N.C.S. volunteers and Christy Lazzarino of the Northampton Library.

SUMMER CAMP PREVIEW

All camp locations (with the exception of the Recreation Center) are **pending Council Rock School District approval**. At times, there are projects scheduled in the school over the summer that make it hazardous to hold camp. You will be notified immediately if the Parks and Recreation Department learns that a school cannot be used in the Summer of 2019. Every attempt will be made to relocate the camp program.
